

Ocean boating can place extraordinary demands upon your vessel and crew whether cruising or racing. Knowing that you have a Sea-Safe life raft with 12 year warranty* on board will provide you peace of mind under all conditions.

For The Sail Racers, These Products Are BV-Approved, Meet ISAF And Comply With ISO9650-1 And 2 Depending On What Model You Choose.

EASY BOARDING/HIGH VISIBILITY/DOUBLE FLOORING AND FULLY EQUIPPED!

All Life Rafts Are Vacuum Packed And Compact In Either Valise Or Fiberglass Container.

- All Sea-Safe life rafts are built of natural rubber with polyurethane coated fabric
- Easy access boarding ramp, ladder, and handholds
- High visibility LED exterior and interior lights
- Equipped with large integral water ballast bags
- 3 and 4 zone independent inflation chambers
- Rainwater collection system
- SOLAS reflective strips for increased visibility
- Supplied with full equipment pack
- Optional grab bag for plus 24hr racing requirement
- Protective high visibility canopy with large openings allow easy access for boarding, spotting and fresh air.
- Natural rubber flooring is covered with a complex insulator of closed cell foam coated with aluminum film to create a warm barrier between the occupants and a cold ocean.
- The Sea-Safe Self-righting version guarantees upright inflation within seconds

* WHEN SERVICED AT LEAST EVERY 3 YEARS BY AN AUTHORIZED SEA-SAFE FACILITY
